Community Brain Injury Services Providers

Welcome to the Network

#2009 – 70

Health Care Services (HCS) is very pleased to welcome you all to the Community Brain Injury Services Network of Providers.

As you all know, HCS recently introduced a new Community Brain Injury Services Agreement.

As this is a new Agreement to many providers, we would like to review the following items:

1. A written referral (Referral form 83B150) is required for each worker referred to CBIS.
2. All documents must be submitted using the appropriate WorkSafeBC templates. Templates are available for download at www.worksafebc.com under "forms – health care provider – generic forms".
3. Initial, progress and discharge reports must all be submitted using the [Generic Report – Medical and Health Care \(83D51\)](#). All invoices must be submitted using the Invoice [\(83D128\)](#).
4. Please refer to the [Reference Manual](#) for assistance with specific processes related to doing business with WorkSafeBC. This document is intended to be used in conjunction with the Community Brain Injury Services (CBIS) Memorandum of Agreement and all related schedules.
